## SUMMARY

Occupational Health and Safety Professional since July 1979

## PROFESSIONAL CERTIFICATIONS

### Certified Safety Professional (CSP) Certificate # 8243

1986, [www.bcsp.org](http://www.bcsp.org)

### Associate Safety Professional (ASP) Certificate # 8243

1982, [www.bcsp.org](http://www.bcsp.org), When completing the CSP requirements, the same # carried forward, I think.

### Associate In Risk Management (ARM) Designation

Completed this course sometime during 2000 to 2005

[Insurance Institute of America](http://InsuranceInstituteofAmerica.com)

## PROFESSIONAL LICENSES

### Commercial Driver's License, Class A, No Restrictions;

Endorsements: X-Tank & Hazardous Materials, T-Double/Triple Trailers; Expiration Date: 12/06/2018

I obtained this license from Salt Lake Community College in the early 1990's and drove part time (weekends Miller Brothers Express, Albertsons) while working full time for Fireman's Fund Insurance during the week.

## PROFESSIONAL ORGANIZATIONS MEMBERSHIPS

### Society of Automotive Engineers

1974-1979, [www.sae.org](http://www.sae.org), Only a member during time at Weber State College

### American Society of Safety Engineers

1981-Current, Professional Member, Utah Chapter, [www.asse.org](http://www.asse.org), Practice Specialties: Transportation, Risk Management

### Utah Safety Council

1980-Current, [www.utahsafetycouncil.org](http://www.utahsafetycouncil.org); At one time during the 80's and 90's I was a certified instructor for the both the National Safety Council's 4 hour and Professional Truck Driver Defensive Driver Improvement Courses.

These instructor certifications expired. We develop and teach our own defensive driving courses now.

### Utah Trucking Association

1994-Current, [www.utahtrucking.com](http://www.utahtrucking.com)

### Utah Trucking Association's Safety Management Council Member

1994-Current; I regularly attend the SLC Area Council Meetings held at CR England each month, most recently 02/05/2015. Less frequent, I attend their annual events, i.e., Trucking Expo in St. George and Rocky Mountain Safety Rendezvous in the hosting Western State, Spring & July, respectively.

## EXPERIENCE

### Safety Specialist, Workers Compensation Fund

1994-2015

### Accomplishments

- Develop Safety Service Plans for selected businesses in Utah to

assist in their responsibilities to provide their workers safe work places. This consulting activity includes developing and presenting various safety topics to policyholder workers. A number of other activities are included, e.g., process (safety systems) metrics analyses, outcome (safety performance) metrics surveys, safety service objectives development, underwriting safety survey requests, etc.

- WCF Annual Trucking Industry Safety Seminar Coordinator & Occasional Presenter: [Trucking Industry Safety Seminar](#).
- Develop WCF Safety Tools for use in our consulting services, i.e., [ANSI Z-10 Standard](#), [ANSI Z-15 Standard](#) (work in progress).

**Sr. Loss Control Consultant, Firemans Fund Insurance Company**  
Salt Lake City, Utah — 1987-1994

**Accomplishments**

- Similar to current employer.

**Sr. Risk Control Consultant & Risk Control Manager II,  
Commercial Union Insurance (One Beacon Insurance)**

Denver, Colorado — 1985-1987  
Salt Lake City, Utah — 1979-1985

**Accomplishments**

- Similar to current employer. CU's US Operations ceased in the 90's. The English Company was purchased by a CGU of Australia. It was then acquired about 15 years ago by White Mountain Insurance, WTM, Bermuda. WTM rebranded the company One Beacon and opened offices at its original US Headquarters, One Beacon Street, Boston, MA. It's since relocated to Minnetonka, MN. WTM owns about 75% of OB stock, both traded on the New York Stock Exchange.

**Engineering Service Representative, Aetna Life & Casualty,  
Casualty & Surety Division (Travelers)**

Phoenix, Arizona — 1979-1980

**Accomplishments**

- Similar to current employer. Started my professional safety career with this company. Travelers purchased the casualty and surety division in the mid 80's.
